CALLING YOUNG ENTREPRENEURS

Entrepreneurship Course

This class focuses on teaching students entrepreneurial skills, concepts, and an entrepreneurial mindset in a fun and interactive way. By the end of this course, students will have developed their own small business based on their interest to present to the world, complete with a business vendor fair!

This is a semester-long course (Aug-Dec)
Classes and a business fair will take place in Indianapolis, IN.

Costs: \$35/month
Space is limited in each session.
